

Jungle.Travel

"We've increased our direct bookings through the smart & functional website, and at the same time offered our wholesalers access to the best live availability Samoa has to offer - *this is a win/win solution!*" Nanise Tolovae, Product Manager, Polynesian Explorer

Are you losing business to direct booking websites?
Are your wholesalers going direct to your properties?

WE HAVE THE SOLUTION

Here is your opportunity to have your own retail web presence while still providing exceptional service to your wholesalers.

The Jungle.Travel platform bridges the gap between Accommodation and Service providers and your Retail and Wholesale customers, allowing you to recapture market share and satisfy both groups.

What you need to know

HOW MUCH DOES IT COST?

From \$NZD4,000 setup fee, 5% retail, 2% wholesale bookings.

HOW LONG DOES IT TAKE?

Depending on the amount of information you already have electronically and your internal resources you can be up and running in as little as a month.

WILL YOU COME AND HELP US GET STARTED?

Yes - as an optional extra one or more of our team can work from your office to help assist with importing data and training your team.

The Best of Both Worlds for Retail & Wholesale

Jungle.Travel Retail

Allows retail web Travellers the ability to select prepackaged itineraries to build their own itinerary from your accommodation and service providers.

Jungle.Travel Wholesale

Gives wholesalers direct access to your inventory so they can plan and book complete packages with you. Including meet and greet, transfers, accommodation and services.

The Best Supporting Tools for the CMS & Extranet

Jungle.Travel CMS

Manage all your accommodation, services and destination information in one powerful Content Management System.

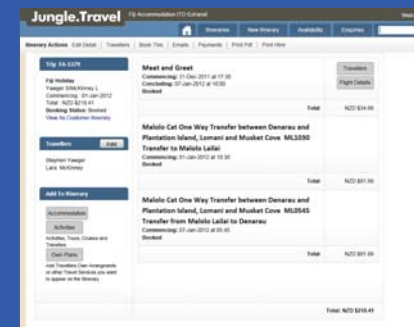

Includes modules for:

- Accommodation
- Activities, Services, Tours, Transfers
- Packages
- Destination Information
- General Web Pages
- Powerful Search Engine Optimisation

ITO Extranet

Create, plan and manage traveller and wholesaler itineraries from one location.
